

TOONALOOK WATERS

"Experience serenity, security, and all that Toonaloook Waters has to offer"

'A unique, secluded lakeside environment ~ offering a serene, peaceful lifestyle'

Toonaloook Waters represents the epitome of serene and peaceful living. Comprising 46 blocks, each allotment offers a range of uniquely diverse living guaranteed to suit your lifestyle.

Lakeside Living

Toonaloook Waters has a number of unique allotments providing direct access to waterfront living. Lake Toonaloook stretches some 400 metres across some 24 properties on offer, and includes an island setting with walk over bridge access throughout the development.

Active Lifestyle

Walking through Pinnacle Point, one of the many reserves situated within Toonaloook Waters, this peaceful setting provides a tranquil, and relaxing escape located just minutes from your door. The Point, elevated to 6 metres provides sweeping views of the surrounding Mountain Ranges overlooking Lake King. Additionally, walking track access is provided along the perimeter of Lake King through bushland to Eagle Point. There are also many other sporting facilities on offer throughout the local district, including a championship golf course.

Environmental Living

Toonaloook Waters has been designed to provide an individual lifestyle encompassing features, which make it unique. Surrounded by natural fauna and vegetation, 3 reserves have been specifically set aside to promote a natural environment, offering seclusion to those seeking a serene and peaceful lifestyle.
